

Updater::sameCluster

```
graph LR; A[Updater::sameCluster] --> B[PairEnergyCalculator::setPrimaryParticle]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'Updater::sameCluster'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'PairEnergyCalculator::setPrimaryParticle'.

PairEnergyCalculator
::setPrimaryParticle
