

Inicializer::initConfig

MCSimSystem::init

main

```
graph RL; main --> MCSimSystem::init; MCSimSystem::init --> Inicializer::initConfig
```

The diagram illustrates a sequence of three function calls in a horizontal flow from right to left. The first box on the right is labeled 'main'. A blue arrow points from 'main' to the middle box, labeled 'MCSimSystem::init'. Another blue arrow points from 'MCSimSystem::init' to the leftmost box, labeled 'Inicializer::initConfig'. The 'Inicializer::initConfig' box has a light gray background, while the other two boxes are white.
