

Vector::normalise

```
graph LR; A[Vector::normalise] --> B[Vector::norm]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text "Vector::normalise". A dark blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right, which contains the text "Vector::norm".

Vector::norm
