

Vector::ortogonalise

```
graph LR; A[Vector::ortogonalise] --> B[Vector::dot]
```

A diagram showing a sequence of two operations. The first operation, 'Vector::ortogonalise', is enclosed in a gray rectangular box with a black border. A dark blue arrow points from the right side of this box to the left side of a second rectangular box. The second box, which is white with a black border, contains the text 'Vector::dot'.

Vector::dot
